

Rochester Community Preschool Enrichment Handwriting Class

2017 Fall Class

Begin “Write” by Learning the ABC’s and Number Handwriting Skills

Offered: Tuesdays 9-10 AM September 26-November 21 Location: Northrop Building

Pre-K children (ages 4-5) will be taught to form capital letters and numbers using multi-sensory, developmentally appropriate and fun activities. The **Handwriting Without Tears “Get set For School”** readiness and writing Pre-K curriculum methods and materials will be implemented. The **Handwriting Without Tears “Get Set For School”** readiness and writing Pre-K curriculum methods and materials will be implemented. Proper pencil grip, seating posture, paper placement, and use of the helping hand will be addressed. Handouts that reinforce writing readiness skills will be provided to the parent(s). This 8 week class is limited to 4 students.

Writing Readiness Enrichments Classes.

We are available to teach the Pre-school enrichment class, **“Begin Write by Learning Writing Readiness Skills”** (described above) at local Rochester Nursery Schools.

Professional Development Training

Families First of Minnesota Professional Development Class

Providing the “Write” Start with Writing Readiness Skills

Offered: Fall 2017

Functional handwriting skills are built on a strong foundation. Pre-K teachers and day care providers can lay the ground work for Pre-K students to learn writing readiness and writing skills in preparation for Kindergarten. This training presents the foundation skills necessary for developing functional handwriting and the “Get Set For School” Pre-K readiness and writing curriculum.
