

Writing Readiness Enrichments Classes

Begin “Write” by Learning the ABC’s and Number Handwriting Skills

Offered: Year around morning and early afternoon classes:

Description:

Pre-K children (ages 4-5) will be taught to form capital letters and numbers using multi-sensory, developmentally appropriate and fun activities. The **Handwriting Without Tears “Get set For School”** readiness and writing Pre-K curriculum methods and materials will be implemented. The **Handwriting Without Tears “Get Set For School”** readiness and writing Pre-K curriculum methods and materials will be implemented. Proper pencil grip, seating posture, paper placement, and use of the helping hand will be addressed. Handouts that reinforce writing readiness skills will be provided to the parent(s). This 8 week class is limited to 4 students.

We are available to teach the Pre-school enrichment class, **Begin ‘Write’ by Learning Writing Readiness Skills** (described above) at local Rochester Pre-Schools.
